Dan, Tony, Dave, and Angela,

I'm sharing with you a draft of the background materials we've prepared on the 6/19 EQC and 6/23 BOF meetings re: Riparian Rule analysis in Oregon. We'll probably be making small changes, but you'll get a flavor for the talking points, Q&A, and additional background we've come up with.

Dan, since you're off on Friday, we brief you on Wednesday before the EQC meeting. We can talk about who'll follow up with you on how the EQC meeting went before the BOF on 6/23.

Thanks,  
Jenny Wu
